

2016 Peterbilt 579 Day

Equipment Information

Price: \$23,500
Location: Lakeland, FL
Unit Number: 1111400
Unit Address:
City: Lakeland
State: FL - Florida

Comments:

Truck has had ECU replaced because Dash says 44k miles but that is not accurate. Trimble says 616,828. This unit has a phantom issue causing derate. After \$5k+ of diag the decision was made to kill the truck and we don't know the extent of the issue for a repair estimate.
